SUMMARY

I am a highly skilled and experienced **full-stack web developer** with a Master's degree in **Computer Science**. I am passionate about leveraging my technical skills and creative mindset to contribute to the success of innovative projects. My commitment to excellence ensures that I deliver high-quality, efficient, and scalable solutions. I am eager to bring my expertise to your company and collaborate to turn your vision into reality.

WORK EXPERIENCE

Czone Software House, Rahim Yar Khan

Oct 2021 - Present

Senior Web Developer

- **Collaboration & Leadership:** Collaborated closely with seasoned developers to spearhead and successfully manage large-scale and intricate design projects for prestigious corporate clients.
- **Technical Expertise:** Proficiently wielded a vast array of cutting-edge technologies, including HTML, CSS, Bootstrap, JavaScript, jQuery, Ajax, PHP, MySQL, WordPress, Laravel, CodeIgniter, and mobile-responsive web development. Demonstrated a remarkable ability to craft clean and efficient code.
- **Comprehensive Development:** Efficiently completed detailed Front-End & Back-End development tasks, ensuring seamless integration and functionality.
- **Driven & Dedicated:** As a highly driven and dedicated individual, I possess exceptional communication skills, making me an ideal candidate for the position of Front-End & Back-End Web Developer. I am eager to contribute my expertise towards propelling your organization to new heights of success.

Freelancing Achievements

Oct 2023 - Present

- **Freelancing Success:** Successfully completed numerous projects on various freelancing platforms, earning positive feedback and high ratings from clients as a web developer.
- **Client Satisfaction:** Delivered high-quality web solutions that consistently met and exceeded client expectations, demonstrating strong problem-solving skills and attention to detail.
- **Project Management:** Managed multiple projects simultaneously, ensuring timely delivery and maintaining excellent communication with clients throughout the project lifecycle.
- **Adaptability:** Adapted to diverse project requirements and industry standards, showcasing flexibility and a commitment to continuous learning and improvement.
