WORK EXPERIENCE

Czone Software House, Rahim Yar Khan

Oct 2021 - Present

Senior Web Developer

- **Collaboration & Leadership:** Collaborated closely with senior developers and cross-functional teams to successfully deliver large-scale and high-impact projects for prestigious corporate clients, maintaining strong communication throughout the development cycle.
- **WordPress, WooCommerce & Plugin Development Expertise:** Highly experienced in developing custom WordPress and WooCommerce websites, custom plugins, and REST API integrations. Skilled in building custom product types, checkout processes, dynamic pricing rules, and payment gateway integrations. Extensive experience with WooCommerce hooks, filters, and ACF (Advanced Custom Fields) for creating flexible and scalable eCommerce functionalities. Proficient in developing custom plugins to extend site functionality, as well as integrating third-party APIs such as payment gateways (Stripe, PayPal, Octo, etc.), CRM systems, and external inventory management tools.
- **Technical Expertise:** Proficient in modern technologies including HTML, CSS, Bootstrap, JavaScript, jQuery, Ajax, PHP, MySQL, WordPress, Laravel, CodeIgniter, and mobile-responsive web development. Demonstrated expertise in crafting clean, optimized, and secure code following best development practices.
- **Comprehensive Development:** Delivered complete front-end and back-end web solutions — from UI/UX implementation to database design and server-side logic — ensuring seamless performance, responsiveness, and user experience across devices.
- **Driven & Dedicated:** A highly driven and detail-oriented developer with excellent problem-solving and communication skills. Passionate about innovation and continuous learning, eager to contribute technical expertise and leadership to drive organizational growth and project success.

Freelancing Achievements

Oct 2023 - Present

- **Freelancing Success:** Successfully completed numerous projects on various freelancing platforms, earning positive feedback and high ratings from clients as a web developer.
- **Client Satisfaction:** Delivered high-quality web solutions that consistently met and exceeded client expectations, demonstrating strong problem-solving skills and attention to detail.
- **Project Management:** Managed multiple projects simultaneously, ensuring timely delivery and maintaining excellent communication with clients throughout the project lifecycle.
- **Adaptability:** Adapted to diverse project requirements and industry standards, showcasing flexibility and a commitment to continuous learning and improvement.
